CATERING OPTIONS

The Entertainment Grounds understands the importance of fine food and offers a variety of menu options to suit your style.

Plated

Guests are individually served fully prepared dishes, restaurant style. In most cases, dishes are alternated between two options. We also cater for guests with special dietary requirements.

Buffet

Guests choose their meals from a buffet line, allowing them to decide on portions and to select the dishes they prefer.

Cocktail

We offer platters served either buffet style or waiter style. For waiter style, waiters circulate the designated function area, offering guests small samplings of a variety of light canapés as selected by the function organiser. Service generally occurs over a two hour period.
