PAUL - UB40 GUEST 9.2.2019

*"I have been to The Entertainment Grounds on a race day in the past and thoroughly enjoyed it but I wasn't sure how it would work as a music venue. Well on Saturday, some friends and I went to see UB40 there. I was amazed how well it works for live music, it felt intimate and the view is great from every seat!"*

NATHAN & STACEY - WEDDING 22.9.2018

*"Nathan, myself and our parents wanted to say a massive thank you for all your efforts on our wedding day (22.9.18) and for having us at your venue. Everything was perfect and ran so smoothly! The food was absolutely amazing... I keep getting guests telling me so too! Your staff were very lovely and were very happy to attend to our needs. They seemed to be enjoying themselves just as much as we did, and it was lovely to see the positive vibes from them throughout the night. Thanks again and we will definitely be recommending you to all our family and friends for future functions!"*

STEVE DAWSON - RACEDAY 29.3.2018

*"BJ Howes Metaland has been holding an annual raceday for over 15 years. We went with Gosford Race club for our 40th birthday race day event and found the club very accommodating. The food was very good and tailored to our needs, and the bar service was great. The venue accommodated our function perfectly allowing for our photo booth, live entertainment, guest speakers along with our 130 guests."*

DANA & JAKE - WEDDING 10.2.2018

*"We had our wedding reception at The Entertainment Grounds and they went above and beyond. They involved us through every decision and process and made the room look excellent. They organised our decorations and even extended the hours so our guests could enjoy themselves longer. The drinks and food package we had was excellent and food was amazing specifically the chocolate brownie and the angus rump. The DJ they picked from Magoo's Party Hire was wonderful. The DJ went the extra mile to get to know us and a few things about us so when he spoke, it felt like we were friends all our lives. The Entertainment Grounds did not hesitate to go to the extra mile and I would recommend them for any type of party."*
